DIRECTORY OF CALIFORNIA MANUFACTURERS

Table of Contents

Section 1 Page

Industry Section 9

Products, Processes & Services— California establishments classified by product or service, including business organizations rendering services to manufacturers and businesses at large.

Section 2

Alphabetical Section 433

California manufacturers, processors, wholesalers and distributors are organized by company name and include address, phone number, and city where each company is located in the Geographical Section.

Section 3

Geographical Section 605

California manufacturers, processors, wholesalers and distributors are listed alphabetically by city. Profiles include phone, fax, and toll free numbers; physical & mailing addresses; key personnel; business/product descriptions & classifications; employee count; year established; annual sales, plant size, ownership type/parent company data, and more.

Section 4

S.I.C. Section

Alphabetical Index of S.I.C. Codes **1955**

California manufacturers, processors, wholesalers and distributors grouped according to the Standard Industrial Classification system, which includes an address, phone number, key executive name and title, employee count, and product description **1958**

Section 5

Parent Company Section 2330

An alphabetical listing of each parent company and home office with a different name or location than its California manufacturing plant. Each parent company is listed in bold type, followed by its subsidiaries among the California's manufacturers.

Section 6

County Marketing Section 2412

The State of California divided by Sections and Counties.

Growth Pattern Chart by County **2415**
Growth Pattern Chart by City **2416**
Growth Pattern Chart by Industry **2422**
California County Map (County Breakdown) **2423**
California Area Codes Map **2424**
California Three-Digit ZIP Code Map **2425**

MNI Leads lets you to "zero-in" on your target market with high-quality, customized leads that match ONLY the specific criteria you need!

Why Buy What You Don't Need?

Slice and dice the MNI database 15 different ways within Geography, Industry (SIC, NAICS), Company Size and Executive Function. The MNI Leads online database can be customized according to your specifications to locate only those companies that fit your unique criteria. MNI Leads offers unlimited free searches of the database and instant counts of manufacturers matching your criteria. If you're using MNI data only to do a mailing, you'll appreciate our "limited" profiles feature that gives you only the essential mailing information...for a fraction of the price!

The Most Powerful Database Tool Available Online!

MNI Leads employs the latest cutting-edge online technology featuring a graphical point & click interface and lightning-fast searches. In just a few simple clicks, you'll be on your way to discovering new customers. MNI Leads is simple enough for the beginner, yet powerful and flexible enough for professionals. An extensive online help system ensures you're never left in the dark. Profiles can be purchased in a variety of formats to suit your needs and budget and are available for immediate download or on CD-ROM. It's simple, fast and hassle free!

The Most In-Depth Information Available When You Need It, Day or Night...

MNI's complete, in-depth database of over 400,000 manufacturers and 1,000,000 executives by name & title is now available online 24 hours a day, 7 days a week! The MNI Leads online database is continually updated for the freshest, most accurate data possible. Plants that have closed are deleted, new manufacturers are added and important address, phone and executive changes are made on an ongoing basis — which saves you time and money.

Discover Hot New Prospects in Need of Your Products or Services!

For a mere fraction of the cost of other online services, MNI Leads delivers the same up-to-date, complete company profiles as in the MNI directories you've come to count on — at a great price!

Designed With the End-User in Mind...

MNI Leads creates a customized text file that can be downloaded instantly and imported into virtually any program. Looking to create a spreadsheet or database? No problem. MNI Leads text files can be easily imported into any spreadsheet or database program in just a few easy steps. Or perhaps you're looking to do a custom mailing? MNI Leads text files can also be loaded into your favorite word processing program as a mail-merge to create custom letters, envelopes and mailing labels. If cold calling is your thing, you'll appreciate how effortlessly MNI Leads text files can be imported into your favorite contact management software. The possibilities are endless.

Stay One Click Ahead of Your Competition...

While your competitors are spending hour after hour, day after day surfing the web for all those "free" leads, you can be in and out in less than 10 minutes with thousands of new leads, all individually verified by MNI's editorial staff for accuracy and precision. MNI Leads online tutorials will help you quickly load the data in the program of your choice. It doesn't get any easier than this!

Why Wait? Log On Now...

All you need is a computer with internet access and a credit card. Log on to **mnileads.com** and with secure e-commerce you can purchase your new leads anytime, day or night.

mnileads.com is ready to work for you!
